ORDER:

In G.O.No.2560 Development dated 7-12-1942 the Government approved the proposal of the Chief Conservator of Forests, among other things, to fix three grades of pay for Timber Inspectors, namely Rs.50. Rs.40, and Rs.30 and to distributed the sanctioned number of posts among the three grades in the ratio of 2: 3: 5. The number of posts of Timber Inspectors has since been reduced and at present there are only three Inspectors of whom two are in the first grade (Rs.50/-) and one in the third grade (Rs.30/-) . They are also drawing the temporary additional pay sanctioned in 1946. The Chief Conservator of Forests has proposed that the ratio fixed in G.O.Ms.2560 Development dated 7-12-9942 may be relaxed and that the existing three Timber Insp ctors may be permitted to draw pay and the temporary addition pay as at present. The Government approve the proposal of the Chief Conservator of Forests.
